

NORITSU

Pharmacy Automation

Curious About Pharmacy Automation?

Compliance packaging is proven to increase adherence

Offer the same convenient packaging and products as your mail-order competitors

Reach new customers and access new revenue streams

Improve your bottom line with a more efficient workflow and increased labor savings

Combine a Noritsu Z Series Packager with an NV 1 Verifier for all the benefits of our full-size systems in a smaller footprint

The Pharmacy Landscape is Changing. Are You?

With increased competition in the market, your customers have more options available than ever. Let us show you how strip pouch packaging will work for your community pharmacy.
